

# Children's Mucinex<sup>®</sup> Cough Mini-Melts<sup>™</sup> (Orange Creme Flavor)

## Drug Facts

### Active Purposes ingredients (in each packet)

Dextromethorphan HBr 5 mg  
.....Cough suppressant  
Guaifenesin 100 mg  
.....Expectorant

### Uses

- helps loosen phlegm (mucus) and thin bronchial secretions to rid the bronchial passageways of bothersome mucus and make coughs more productive
- temporarily relieves:
  - cough due to minor throat and bronchial irritation as may occur with the common cold or inhaled irritants
  - the intensity of coughing
  - the impulse to cough to help you get to sleep

## Drug Facts (continued)

### Warnings

**Do not use** if you are now taking a prescription monoamine oxidase inhibitor (MAOI) (certain drugs for depression, psychiatric, or emotional conditions, or Parkinson's disease), or for 2 weeks after stopping the MAOI drug. If you do not know if your prescription drug contains an MAOI, ask a doctor or pharmacist before taking this product.

### Ask a doctor before use if you have

- persistent or chronic cough such as occurs with smoking, asthma, chronic bronchitis, or emphysema
- cough that occurs with too much phlegm (mucus)

**Stop use and ask a doctor** if cough lasts more than 7 days, comes back, or occurs with fever, rash, or headache that lasts. These could be signs of a serious illness.

**If pregnant or breast-feeding**, ask a healthcare professional before use.

**Keep out of reach of children.** In case of overdose, get medical help or contact a Poison Control Center right away.

### Directions

- empty entire contents of packet onto tongue and swallow
- for best taste, do not chew granules
- do not take more than 6 doses in any 24-hour period
